Murder Scene Student Prank

ATLANTA UPI — Authorities in Dekalb County said Tuesday three Emory University students had admitted creating a murder scene on the campus as a "prank."

The authorities declined to identify the students, but said one was from Maryland and two from Jacksonville, Fla.

Last Wednesday, police and school officials were alerted to find a pool of blood in an Emory dormitory and a blood-stained hammer near the scene. Police investigated the incident and school officials checked to see if any students were missing from school.

Tuesday, three boys confessed to a school official that they had created the bloody scene as a prank. The youths told authorities they had obtained the blood from a medical student at Grady Hospital.

Police said their investigation into the case is ended and the youths have been turned over to Emory officials for disciplinary action.

Dillon Issues Council Ruling

INDIANAPOLIS UPI — The city of Terre Haute was told Tuesday by Atty. Gen. John J. Dillon that the city council can continue to function legally with a vacancy.

Dillon added, however, that the law abhors delay by public officials toward the performance of clearly defined responsibilities.

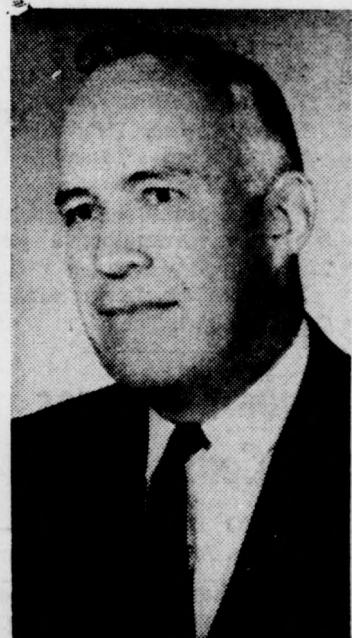

The vacancy arose when a member of the council died last March and the council failed to fill the vacancy despite a string of meetings held to take care of the matter.

Traffic Toll 510

By United Press International
Indiana's 1965 traffic fatality toll today reached a point precisely 100 ahead of this time last year when two deaths raised the total to 510 compared with 410 a year ago.

Ernest H. Collins was elected President of the Savings and Loan League of Indiana at their annual meeting which was held at French Lick this week. Mr. Collins, who is President of the Greencastle Savings and Loan Association, will succeed Milton S. Martin, President of the Union Federal Savings and Loan Association of Indiana as President of this Trade Association.

The Savings and Loan League of Indiana represents the 215 Savings and Loan Associations in the state whose group assets now exceed \$2,700,000,000.

Ernest H. Collins

The convention heard Lieutenant Governor Robert L. Rock and economic predictions by John P. Moe of Indiana University. Norman Strunk of the United States Savings and Loan League predicted the Indiana Associations will continue to be major suppliers of home mortgage funds in Indiana and that the remainder of the year will be active for the Savings and Loan Associations.

The entertainment features of the convention included the Purdue Glee Club as well as the Past President's Ball honoring the business leaders in the Savings and Loan field.

The state-wide recognition comes to Mr. Collins, who is well known in Greencastle for his services as a member of the City Council and an officer in Greencastle Developments, Inc.

Baker Report

WASHINGTON UPI — The Senate Rules Committee, with its special counsel under heavy Republican fire, meets today to discuss the highly controversial draft report on the Bobby Baker investigation.

Chairman E. Everett Jordan, D-N.C., has promised to review "line by line, word by word" the draft report approved by special counsel Lennox P. McLendon.

The draft has never been made public. It is reported, however, to reflect on the role of Sen. John J. Williams, R-Del., in the investigation and leave the implication that Williams withheld information.

LBJ Is Speaker

WASHINGTON UPI — President Johnson will be the commencement speaker when his 17-year-old daughter Luci graduates from the National Cathedral Girls School on June 1.

Luci and 58 of her classmates will graduate at a ceremony at the Washington Episcopal Cathedral. Mrs. Lyndon B. Johnson and Luci's sister Lynda, 21, will also attend.

The President's younger daughter is planning to enter Georgetown University School of Nursing in mid-September. She will work this summer as an assistant to a Washington optometrist, Dr. Robert Krasnik.

Paratroopers Seek Viet Reds

Auto Explosion Kills Youth

HAZLETON, Pa. UPI — It was election day and Michael Ruggiero, 17, was home from school. Mike's mother had to do some grocery shopping so he decided to give her a lift in dad's car.

Mike walked to the firehouse where his father, a power shovel operator for a strip mining firm, was on duty Tuesday as an election judge and got the key to the 1955 model car, parked only half a block away.

The youth turned on the ignition and the car was blasted to bits in a puff of black smoke. Mike was killed instantly.

An FBI team joined Hazleton and state authorities today in an effort to find out what type of explosion caused Mike's death.

Authorities were unable immediately to determine a motive in the case. They said neither Ruggiero nor his son had any known enemies nor had either received any threats.

And Police Chief Frank Uzman said it was unlikely that Ruggiero had any explosives in the family car.

Closed May 31

The Greencastle Post Office will be closed Monday, May 31, in observance of Memorial Day. There will be no city or rural mail deliveries. Collections and dispatches will be on holiday schedule.

NOW YOU KNOW

The United States purchased Alaska from the Russians for two cents an acre \$7,200,000 on March 30, 1867, according to the World Almanac.

SAIGON UPI — A large force of U. S. Army paratroopers swept through the Vietnamese countryside today in an area known to be crawling with Communist guerrillas.

The operation was the first of the war for the 173rd Airborne Brigade, a combat-ready unit which arrived in South Viet Nam earlier this month to guard air bases near Saigon.

The helicopter airlift was officially billed as a training exercise, but there was no guarantee that it would not develop into a clash with the Viet Cong.

Although exact details were shrouded by military secrecy, it was disclosed that hundreds of paratroopers were involved and that the landing zone was many miles from the Bien Hoa air base — the brigade's headquarters.

A spokesman said the paratroopers will march back to Bien Hoa on foot, fighting their way through Viet Cong positions if necessary.

A spokesman said the action was the brigade's first full-scale "air mobile" operation. The 3,500-man unit is assigned to security duty at the Bien Hoa base 15 miles northeast of Saigon and the Vung Tau airstrip 40 miles southeast of the capital.

Methodist Meeting

WEST LAFAYETTE — Clergy and lay representatives from 290 Methodist churches in the Northwest Indiana Conference will gather here May 26-29 for their 114th annual business session.

Bishop Richard C. Raines, episcopal leader of the state's 1,300 Methodist churches, will preside and will deliver the closing sermon Sunday morning at Purdue University's Hall of Music.

Mental Health Chapter Hosts Luncheon, Meeting

The Putnam County Mental Health Association was host to the Logansport Regional Hospital Volunteer Committee at the Old Trails Inn, south of Greencastle, Tuesday with a luncheon and afternoon meeting.

Representative Mental Health Volunteers from 21 north central counties attended the organizational meeting to plan the 1965-66 activities. The large group was welcomed by Miss Margaret Nelson, President of the Putnam County Association.

The meeting was addressed by Vance Reed, Regional Director of the State Mental Health Association on "What's New for the Volunteer." A report was made by Gerald McClain from the Logansport Volunteer Services office on current hospital needs and personal service projects.

Mrs. Nettie Utt, Putnam County Hospital Chairman for Volunteers, spoke on "Humorous Happenings in a Lifetime as a Volunteer and Nurse." Mrs. R. A. Road, Regional Chairman, made an appeal for support of the Golden Gazette and the Logansport Newsletter. The Gazette is edited by Mrs. William Killion of Putnam County.

Changes Name

LOS ANGELES UPI — Municipal Judge Nancy Cannon, the only petite blonde on the traffic bench, has changed her name to Noel Cannon without formal legal proceedings.

Why? She was asked Tuesday.

"I have no comment to make," replied the 38-year-old judge, "it's a personal thing."

Early Hearings

WASHINGTON UPI — A House labor subcommittee scheduled early hearings on President Johnson's request for repeal of the controversial "right-to-work" provision of the Taft-Hartley law.

The subcommittee, headed by Rep. Frank Thompson, D-N.J., set hearings for next Monday. Labor Secretary W. Willard Wirtz will be the lead-off witness.

Gusty Storms Hit Near Here

By United Press International
Gusty thunderstorms ripped through the central portion of Indiana late Tuesday during a six-hour tornado forecast period, but damage was negligible.

Black clouds bearing high winds and drenching rains struck anxiety in the hearts of Hoosiers still shaken by the Palm Sunday tornadoes.

But damage from the storms was quite spotty.

A severe windstorm hit Morgantown in eastern Morgan County, damaging the roof of a shoestore and a house and felling numerous trees. A highway between Morgantown and Trafalgar were littered with tree limbs and blocked briefly, and Trafalgar unofficially reported four inches of rain.

Trees also were damaged at Danville and Crawfordsville as the squall line hit in the early afternoon, shortly after the Weather Bureau issued a tornado forecast.

At Oak Ridge

Steve Modlin, a sophomore at Hanover College along with 11 other Physics majors and their instructor, Dr. Conklin are spending this week at Oak Ridge, Tennessee studying Atomic Nuclear Physics. Steve is the son of Mr. and Mrs. Damon Modlin, Greencastle, R. 3.

Burton Heads State Masons

INDIANAPOLIS UPI — Don Burton, Muncie broadcasting executive, Tuesday was elected grand master of Masons in Indiana.

Burton was named at the annual meeting of the Grand Lodge of Indiana, governing body of freemasonry in the state.

Other officers elected were Deputy Grand Master Joseph Bridwell of Franklin, Senior Grand Warden John Bloxome of Terre Haute, and Junior Grand Warden Robert Seibel of Nashville.

Grand Treasurer O. A. Tislow of Indianapolis and Grand Secretary Dwight Smith of Franklin were re-elected.

"BUTTONS AND BOWS"

Varsity dancers, Nancy Fletcher, Jo Ellen Lemmink, Marie McKee, Susie Grimes, Ann Carmichael, Sheri Cofer, Linda Alderfer, Marcia Nelson and Dorothy Taylor featured songsters, will hoof to "Buttons and Bows" and "Ragtime Cowboy Joe" in the 1965 Red and Blue Revue. The show will be presented in the Junior High Auditorium May 20 and 21 at 8:00 p. m. Photo by Frank Puckett, Jr.

Editorial-Wise Response Should Be Generous

Sometime this month, the citizens of this county will be called upon to volunteer to help collect funds for the Mental Health Association in Indiana and Putnam County.

This is a cause for which we all feel deeply. This is a fight to which we all should rally.

Mental illness afflicts people of all ages. But we are recently becoming aware of its shocking toll among children, among adolescents and among young children, some as young as two or three. We are also aware of the large number of young fathers who have been taken from their families and are in our state mental hospitals.

The volunteers who will join in this crusade will be gathering funds to help these children and adults.

Their efforts will be matched your-round by the dedicated service to others, men and women, who are working through their Mental Health Association to help establish desperately needed local facilities for mentally ill children and adults.

So when your Mental Health Association volunteer calls upon you please say "yes."

reras, whose junta regime controls most of the Dominican Republic, was reported standing firm today in his refusal to accept either a new cease-fire or a compromise reorganization of the government.

Jose A. Mayobre, Venezuelan special representative of U. N. Secretary General Thant, told a news conference Tuesday night that Imbert had refused to agree to a new cease-fire "for military reasons."

Mayobre said rebel Col. Francisco Caamano Deno expressed willingness to abide by a cease-fire, although he added in the same breath that his forces "will continue to fight to the end, even if there is a holocaust."

Bomb North Viet Tarkets

SAIGON UPI — Forty U. S. Navy planes bombed targets in North Viet Nam today in another raid that underscored American determination to press on with the air war against the Hanoi regime.

It was the second consecutive day of air strikes on North Vietnamese territory following a six-day pause to watch for signs of Communist readiness to negotiate a settlement. There were no signs.

Attack The Weak Spot
Rather Than Strength

By Alfred Sheinwold

When the opponents bid three suits but never suggest no-trump you may usually assume that the unbid suit is their weak spot. Lead the unbid suit on the principle that the opening lead should attack weakness, not strength.

Opening lead — ♠ 2

West paved the way for his down downfall when he failed to open diamonds, the unbid suit. A diamond lead would develop four tricks for the defender: two diamonds and their two aces. The actual heart opening lead allowed South to make his contract.

South played the jack of hearts from dummy at the first trick, losing to the queen. Unable to attack diamonds from his side of the table, East returned a trump.

Declarer won in dummy with the king of clubs, ruffed a heart, and drew two rounds of trumps. Then he led a spade to dummy's king. East wisely refused the trick, whereupon South ruffed another heart, dropping East's ace.

GETS TO DUMMY

Declarer next led another spade. East had to take the ace this time, since otherwise dummy could cash a good heart. But now East could not keep dummy out of the lead. If East returned a spade, dummy would obviously gain the lead with a high spade. When East desperately returned a low diamond, declarer let it ride around to dummy's queen. The rest was easy.

West might have had reason to fear a diamond opening lead if his diamonds had been headed by the king, but there was nothing dangerous about leading from J-x-x-x when the bidding made it clear that the opponents had nothing much in the suit.

DAILY QUESTION

As dealer you hold: Spade A 10 5 Heart A 10 9 6 Diamond K 10 9 6 Club 7 5 2. What do you say?

Answer: Bid one diamond. You have only 13 points in high cards, but you also have three tens and a nine. Open a borderline hand when you have good intermediate cards.

Local Women Attend

Club Has A Meeting

The Canaan Friendship Club held its April meeting at the home of Mrs. Glen Duncan at Reno.

In the absence of Mrs. Marvin Broadstreet, Mrs. Vern Runnells was the hostess assisted by Mrs. Duncan and Mrs. Paul Runnells as co-hostesses. Mrs. Runnells opened the meeting by reading the thought of the month. Mrs. Duncan led the group in singing "The Old Rugged Cross." Salute to the Christian and American Flags, and the creed were repeated in unison.

Roll call was answered by nine members. Two guests, Mrs. Rena Sechman and Mrs. Paul Runnells, one child, Brian Runnells were also present. Secretary report was given by Mrs. Dan Stone, and the treasurer's report by Mrs. Iona Goss, which were approved as read.

The club regrets the loss of a good member, Mrs. Ernest Wheeler, Monrovia, R.R., on account of illness in her home.

Mrs. Edd Stone read a very interesting paper which was found at the foot of Christ's tomb.

Names for the new club were submitted and Canaan Friendship Club was chosen. The tour committee will report at the May meeting on different tours which would be best for the club. The business meeting closed by repeating the Lord's Prayer in unison.

Mrs. Dan Stone gave a contest which was won by Mrs. Glen Duncan who also received her mystery sister's gift. Mrs.

Joe Garrett received the door prize.

Delicious refreshments were served by Mrs. Runnells, assisted by Mrs. Duncan and Mrs. Paul Runnells.

The next meeting May 20 at 2:00 will be Guest Day held at the Civic Building in Coatesville. Members please remember to furnish refreshments.

Pays Tribute To War Dead

BONN UPI — Queen Elizabeth II today paid solemn and silent tribute to Germany's war dead and the victims of Nazi concentration camps.

The visiting British monarch laid a wreath at a monument raised by the new Germany from the ashes of the Third Reich. The memorial, placed in front of the Museum of Arts, is a bronze plaque four feet high and seven feet long.

Its inscription reads, "In memory of the victims of wars and of the rule of force."

In Memory

In loving memory of our darling son and brother, William Henry (Buddy) Allen, who left us May 19, 1944.

Memories are for keepsake From which we never will part, God has him in his keeping, We have him in our hearts. Sadly missed by Mommy, Daddy, Liz and Bob.

Card Of Thanks

I want to thank Dr. Schaeffer, Dr. Dettloff and Dr. Garrett and nurses of Robert Long Hospital for all their kindness. I also want to thank Lawrence Clifford and Jim Smedley for planting my corn; my friends for sending nice cards and the pleasure of their visits. I want to thank Esther Vester and Bob VanZant for their help. Lester Terry

Card Of Thanks

We the pupils, teachers, and parents of Clinton Center School wish to thank everyone who helped in any way in sending our entire school to the Shrine Circus. It was a wonderful circus and enjoyed by all. Clinton Center School.

Card Of Thanks

We wish to thank our friends, neighbors and relatives for every act of kindness and sympathy shown us during the illness and death of our beloved father and grandfather. For the beautiful flowers, cards and food. Especially do we thank the Donna Nursing Home for the tender loving care that was rendered by the entire staff during his eight years in the home. Dr. Ernst, Dr. Jones, the Putnam County Hospital, Whitaker Funeral Home for their kind service, the singers, and the consoling words of Bri. S. F. Hester and Bro. Lowell Barr. May God Bless each and every one of you. The John T. Elmore Family

Speaking of YOUR HEALTH...

By LESTER L. COLEMAN, M.D.

Facts On High Blood Pressure

Q. What is meant by blood pressure readings?

A. Blood, circulating through the arteries of the body, is being pushed ahead with each pump of the heart. The heart then relaxes for a moment, and again beats and pumps the blood through the arteries.

Normal arteries are elastic and expand with each beat of the heart.

The blood pressure reading at the moment of the beat is called the systolic blood pressure.

The blood pressure reading at the moment of relaxation is called the diastolic blood pressure.

Normal youthful blood pressure is noted as 120/80, the systolic over the diastolic.

Q. What are the causes of high blood pressure?

A. Any factor that resists the normal, smooth flow of blood can produce higher blood pressure.

Arteriosclerosis, which makes the blood vessels less elastic, is an important cause.

Disease of the thyroid and adrenal glands, emotional tensions and chronic kidney disease are only some of the diversified causes of high blood pressure.

Q. What are the symptoms of high blood pressure?

A. Too often people who have an occasional headache or a nosebleed, or are flushed and tense, falsely frighten themselves into believing that they have high blood pressure.

There need be no guess work about high blood pressure. The pressure can be measured, read and compared before, during and after treatment.

Q. How is hypertension treated?

A. Treatment is devoted to the total patient, his physical condition and his emotional state.

Patients treated for high blood pressure need constant assurance in addition to diets and drugs.

Obesity must be actively treated to lessen the burden on hypertensive patients.

In recent years, many new and effective drugs have been used with great success in the control of high blood pressure.

The new drugs vary a great deal in their delicate methods of action. They are specifically chosen by physicians for each individual patient. The amount of the drug is carefully calculated and balanced at each checkup.

The dramatic successes of these drugs have prolonged the lives of thousands of people who might otherwise have been "hypertensive cripples."

While Dr. Coleman cannot undertake to answer individual letters, he will use readers' questions in his column whenever possible and when they are of general interest. Address your letters to Dr. Coleman in care of this newspaper.

By Gaylord P. Godwin

WASHINGTON UPI — The Agriculture Department said the net income for 1966 leading food manufacturing firms totaled 13 per cent more last year than in 1963.

Incalculating the profits of the food firms, the department used data compiled by the First National City Bank of New York.

Among the factors causing the increase in after-tax profits were the reduction in the corporate income tax rate from 52 to 50 per cent and the 7 per cent investment credit.

The total net income after taxes of the firms in 1964 was \$917,396,000. This compares with \$812,236,000 in 1963.

The department said net income as a percentage of sales was from 0.1 to 0.3 percentage points higher in 1964 than in 1963 for leading firms in each of the food manufacturing industries except sugar.

Net income of the 14 sugar processing firms averaged 3 per cent in 1964, down 0.7 percentage point from 1963. The net income - to - sales ratios ranged from 1.1 per cent for 28 leading meat packing companies to 4.2 per cent for 96 manufacturers of "other food products."

Agriculture Department reports show that farmers received an average of 38 cents for each dollar that consumers spent for farm foods in retail stores during January, February, and March. This compared with 37 cents in the preceding quarter.

During the past 10 years, the quarterly average farmer's share has varied from 42 cents in the first quarter of 1955 to as low as 36 cents in the fourth quarter of 1963 and the second quarter in 1964.

LBJ Announces Project Grants

WASHINGTON UPI — President Johnson announced yesterday the first \$62.3 million in grants to local organizations for his "Project Headstart" to prepare underprivileged preschool children for regular classes next fall.

In an announcement prepared for a ceremony in the White House Rose Garden to inaugurate the project as part of his war on poverty, Johnson said that when complete the program will total \$112 million and involve grants to some 2,500 local areas.

It is expected to help about 530,000 children, or half of all the poor youngsters reaching school this fall. Some of these children have vocabularies of less than 100 words, and many have never listened to a bedtime story or visited a zoo.

Participating in the White House ceremony were R. Sargent Shriver, head of the anti-poverty program who will administer Project Headstart; Dr. Julius Richmond, director of the project; and a planning committee of experts in child development headed by Dr. Robert E. Cooke.

The grants are for the first 1,658 projects approved. Johnson said the rest of the grants will be announced within the next two weeks.

Johnson said the program will "rescue these children from the clutches of poverty which otherwise could grip them all their lives and will put them on an even footing with their classmates as they enter school."

The first group of grants will finance 9,157 centers at which 352,537 children will be given the

special training, Johnson said. He said the over-all program will use the services of 4,000 professionals, employ more than 47,000 poor and involve more than \$16 million in local contributions.

Miss McGuire To Give Testimony

CHICAGO UPI — Songbird Phyllis McGuire was rumored ready to testify today in a federal investigation of reputed crime czar Momo Salvatore Giannacani, who courted her after a chance meeting at a Nevada blackjack table four years ago.

Friends of the blonde "baby sister" of the singing McGuire were quoted as saying she would appear voluntarily as a federal grand jury resumed its hearings into the dealings of Giannacani and his alleged cohorts in syndicated crime.

Federal agents have unsuccessfully sought her nearly a week to serve a subpoena ordering her to appear.

NOT ORDINARY

EL PASO, Tex. UPI — Brig. Gen. William J. Glasgow thought it was going to be an ordinary day Tuesday — it was not.

It turned out more like the Fourth of July.

The oldest living graduate of the U. S. Military Academy was awakened on his 91st birthday by congratulatory telephone calls, telegrams and letters.

Perfect Summer Fare

As the weather warms, take life easy when it comes to preparation of food. In the cool of the mornings, make the foods that have to be baked — cakes and cookies, for example. It's wonderful to have such desserts all ready for serving when the sun is high and hot. Use the cookies to accompany chilled fruits for dessert — so simple, so satisfying. The cookies pictured here are crisp, well-flavored and delicious, made with new peanut butter flavor chips.

Peanut Butter Chip 'n Raisin Cookies
1/2 cup butter* 1 cup unsifted all-purpose flour
1/2 cup granulated sugar 1/2 teaspoon baking soda
1/4 cup firmly packed brown sugar 1/2 teaspoon salt
1 egg 1 package (6 1/2 oz.) peanut butter flavor chips
1 teaspoon vanilla 1/2 cup dark raisins

*Or use 1/4 cup vegetable shortening.
Cream butter until soft. Add sugars, egg, and vanilla and beat until light and fluffy. Blend in flour, soda, and salt. Stir in chips and raisins. Drop from teaspoon, about 2 inches apart, onto ungreased baking sheets. Bake at 375° for 8 to 10 minutes, or until lightly browned. Makes about 4 dozen cookies.

This man tasted electricity!

In 1767, Johann Sulzer discovered that by placing two pieces of metal, one of silver and one of lead, on his tongue, he could taste what later became known as voltaic action. Many tastes have changed, but man's taste for electricity has grown steadily. In America today, use of electricity in the home alone exceeds 225 billion kilowatt-hours each year.

Girl Is Held In Bomb Threat

ROCHESTER UPI — A 16-year-old girl was held in jail here accused of sending a letter to the high school she attended containing a threat to plant a bomb.

Deputy Sheriff Mike Mahoney said charges will be filed today in juvenile court. Mahoney said the girl admitted writing the letter.

She was caught on the basis of handwriting analysis.

Principal Lyle Edenburn of Akron High School received the hand-printed letter Saturday, addressed simply to the school. It was postmarked Athens.

"Dear People," the note said. "I am planting a bomb in Akron High School either Friday, May 14, or Monday, May 17, at 9 a. m. or 12 noon. Signed: ME. P. S. — You had better have the kids out because this is the truth."

Edenburn notified officials, and on Sunday a large number of law enforcement officers, civil defense personnel and a demolition team from Bunker Hill Air Force Base searched the school from top to bottom. They found nothing.

When classes resumed Monday morning after the weekend recess, Edenburn segregated nearly 40 students from the Athens area and asked each to print a paragraph which included words and phrases in the letter.

This cast suspicion on the 16-year-old girl due to similarities in formation of letters. She was questioned and at first denied but later admitted writing the letter.

School officials said she is an average student and never had been in trouble.

Cool, Cool Chiffon Pie

The darling of dessert cookery is cool chiffon pie. It is a double winner for spring and summer menus because it delights family and guests alike and it is so simple for the hostess to make. Thanks to reliable, unflavored gelatine, chiffon pies require little cooking and always have a velvety, airy texture. Fruit Festival Pie involves a new technique of gelatine cookery. By combining icy-cold evaporated milk and hard-frozen concentrated lemon or limeade with gelatine, the pie takes less time to reach a firm consistency — it will set after about an hour in the refrigerator. Garnish the pie with sliced strawberries, peaches, or other fruits.

Fruit Festival Pie
2 envelopes unflavored gelatine
1 1/2 cups cold water, divided
1/2 cup sugar
1/2 teaspoon salt
1 can (6 ounces) frozen lemonade or limeade concentrate, kept frozen
1 teaspoon almond extract
1 cup icy-cold evaporated milk
1 9-inch crumb crust
Sliced fruit

Sprinkle gelatine over 1 cup cold water in medium saucepan. Place over moderate heat; stir constantly until gelatine dissolves, 2 or 3 minutes. Remove from heat; stir in sugar and salt. Add undiluted frozen concentrate; stir until melted. Stir in remaining 1/2 cup water and almond extract. Whip chilled evaporated milk in small bowl of electric mixer on high speed until soft peaks form, about 2 minutes. Fold into gelatine mixture. Turn into crumb crust; chill until firm, about 1 hour. To serve, garnish with sliced fruit.
YIELD: 1 9-inch pie.
*To chill evaporated milk, pour into ice-cube tray and freeze until soft ice crystals form around edge, 12 to 15 minutes.

Freign News Commentary

By Phil Newson

For the most of last week, the United States has been defending policies which the administration of President Lyndon B. Johnson feels there should be no necessity for defending.

In Europe, at least, most of these arguments were directed against the decisive policies of

President Charles de Gaulle.

Accustomed to dealing with affairs far outside the sphere of French influence, the De Gaulle government had let it be known that "France disappeared and wants the withdrawal of troops who have landed in Santo Domingo."

Against this, the French president had Johnson's own summation of the U. S. position in the Dominican Republic. It was:

"... the people of that country must be permitted to freely choose the path of political

democracy, social justice and economic progress... we intend to carry on the struggle against tyranny, no matter in what ideology it cloaks itself."

Against the American position, supported by most U. S. NATO Allies, that escalation of the war in Viet Nam is morally, politically and militarily justified, was the already well known French demand for Vietnamese neutrality and withdrawal of foreign forces, specifically the United States.

De Gaulle already had underlined his opposition to U. S. involvement in Viet Nam by a virtual withdrawal from SEATO, the Southeast Asia

Treaty Organization which among other things guaranteed the integrity of South Viet Nam.

These were not the only areas in which "le grand Charles" was throwing his weight around.

He had voted a move supported by France's partners in the European Common market to renew explorations toward European political unity.

He had appalled West German supporters by the fanfare with which he had entertained Soviet Foreign Minister Andrei Gromyko and German apprehensions were heightened when Gromyko implied that France accepted the existence of two

Germanys.

A lukewarm French denial did little to quell German fears. Nor did the Germans take any more kindly to a Gaullist suggestion that the reunification of Germany should be left primarily to a European solution, with France and Germany to be the chief negotiators.

Germans of all parties believe there can be no settlement of the reunification problem without participation of the United States.

As for the United States, it seemed to be learning to take De Gaulle philosophically.

Depending upon his health, it seemed likely that De Gaulle

would be around for some time to come. It generally is accepted that he will run for another term in office in elections next December.

The United States also was willing to admit, as De Gaulle himself frequently proclaims, that it was De Gaulle who restored France to political stability.

And even a Gaullist and obstructionist France is better than the politically fragmented France that he inherited under the French Fourth Republic.

BOY, 6, IS COOL TO BEER

WEST COVINA, Calif., UPI—For Gerald D. Gazaway, 6, eleven hours in a beer keg cooler were just plain "awful." The lad was trapped in the cooler accidentally, and wasn't found until 11 hours later—slightly cool, but in otherwise good condition.

"Daddy says I'm not old enough to drink beer," said Gerald denying he sampled any of the brew.

P. O. RATES KUDOS

HOUSTON (UPI)—The Post Office put the sender in touch with Zender with a minimum of clues.

Mrs. Marta Zender moved to Houston from London and got a package one day that was sent from a friend in England. The package was addressed only, "Mrs. Marta Zender, 513 South Post Oaklane, Texas."

"I think the post office is very efficient," Mrs. Zender said.

Count on using two pounds of fresh peaches when making and 8 or 9 inch pie.

Backstairs At The White House

UPI White House Reporter
WASHINGTON UPI—Backstairs at the White House. Several thousand tourists were turned away from the White House the other day without being allowed to tour the Executive Mansion as they had expected. The so-called public tours operate five days a week, usually from 10 a.m. until noon and on special days, such as holidays,

from 10 a.m. to 2 p.m. The White House is closed Sunday and Monday to facilitate cleaning and, more important, to give the police a little rest. Sometimes visiting is canceled on one of the regular tour days when President or Mrs. Johnson has something scheduled for one of the rooms on the ground floor or main floor. In such cases, there is usually a public notification and small signs are posted at the East Gate of the White House. The other day, however, someone on the staff forgot the President would be using the East Room that morning for a speech and that Mrs. Johnson

was taking up much of the main floor at a luncheon for Senate wives. Only on the morning of the same day were the police notified, and it was too late. Thousands of tourists were gathered on East Executive Avenue and around the ellipse, waiting for the gates to open. Police passed the word shortly before the 10 o'clock opening time. Most of the tourists accepted the cancellation as part of the mysterious workings of the presidency, but some went away grumbling. The grumblers scarcely can be blamed. Many families save the White House for the last

day of their vacation tour of the nation's capital. And naturally they do not like it if they have to return home without being able to say they saw where LBJ and Lady Bird live. Tourists might be advised to telephone the White House in advance if they're not sure of visiting hours.

Weather Good Farmers Busy

LAFAYETTE, Ind. UPI—Improved weather for field work has enabled Indiana farmers to advance within five days

of normal progress after once being 11 days behind, agricultural statistician Robert E. Straszheim reported today. Straszheim said in his weekly crop report that "farmers had a virtually perfect week for getting field work done." "Many farmers are working day and night in order to get their crops planted," the report said. "Progress of field work at five days behind usual is the nearest that field work has been to usual since the 1965 season began." The report said topsoil moisture declined to "short to mostly adequate" during the week

from "mostly adequate" the previous week. Subsoil moisture was rated as adequate. "Pastures continue to show improvement and are still rated in mostly good condition," Straszheim said. Seventy-five per cent of the land intended for corn and soybeans has been plowed. Usually the plowing is virtually complete by this date. "Corn is 45 per cent planted, up from both the 35 per cent planted as of this date last year and 30 per cent for average," the report said. "The planting of soybeans at 15 per cent complete is up from the 10

per cent completed at this time last year and is five per cent above average. "Of the corn acreage that was planted, 10 per cent was up to stand, the same as last year, and five per cent less than usual." The report said 35 per cent of the tomato plants have been set, 15 per cent of the wheat is headed, 35 per cent of barley is headed, and oats averaged four inches in height, only half the usual growth.

Cancer Warning
INDIANAPOLIS UPI—The president-elect of the American Dental Association warned cigar and pipe smokers that pipes and cigars may be more dangerous than cigarettes in certain types of cancer.
EDWARDS HONORED
BERKELEY, Calif. (UPI)—Television and radio personality Ralph Edwards, host of television's "Queen for a Day", is the University of California's "Alumnus of the Year."

DePauw Senior Named Head Net Coach At Seeger High School

Skip Collins, DePauw senior and two-sport letterman, has been named head basketball coach at Seeger Memorial High School for 1965-66.

Collins will assist in other sports at the six-year-old consolidated system in Warren County, north of West Lebanon.

When he graduates from DePauw next month Collins will have earned a half dozen letters in varsity baseball and basketball.

Half were claimed as a basketball guard, the balance as catcher and all-conference nominee from the Tiger baseball squad, where he currently leads the team in hitting with .350 and tops conference fielding with a perfect 1.000.

Collins was graduated from Valparaiso (Ind.) High School where he was named outstanding senior athlete in 1960-61. The same year, carrying a 19 point average, he was selected and played for the North in the Indiana North-South All-Star basketball game.

Adjuncts to his physical education major and successful participation in intercollegiate sports have been the sports directorship of the campus radio station, assistant News Bureau statistician and "D" Association member. He is affiliated with Phi Kappa Psi social fraternity.

He and his wife, the former Suzanne Underwood of Valparaiso, have a 13 months old son.

Windy Hill Fair Sex Play Golf

Twenty-six members of the Ladies Golf Association of Windy Hill played golf on Tuesday, May 18.

Roberta McCormick served rolls and coffee.

Winners with low putts were:

Class A: Ruth Greve, 15 putts; Mabel Vermillion, 15 putts.

Class B: Jean Moore, 15 putts; Betty Unsworth, 16 putts.

Class C: Margaret Harris, 18 putts; Wilma Proctor, 19 putts.

A special award was given one of the members for a most unusual and unique play. Dorothy Harlan had her ball land in a tree and stick on a limb, and she was able to stand on an out of bounds marker and hit it out with a putter to a playable lie.

Next week will be a tournament of "Match Play Against Par."

First round play on the Handicap tournament must be played before next Tuesday, May 25th.

Local Chapter Has Campout

The Hoosier Campers Chapter of National Campers & Hikers Association held their May campout at Lieber State Park, May 14-15-16th, with eight families from the local chapter and five visiting families present. Three of the visitors, after seeing the fun and good times, joined the club. They were the families of Bob Jones, Fillmore; Herschel Scobee, Fillmore; and Mabel Potter, Russellville.

Among the visitors were the family of Ron Clearwaters who belong to the Brazil Chow Hounds Chapter of N.C.H.A. The fifth family was the Joe Greenlee family who will join at a later date.

Chapter members present were Mr. and Mrs. Larry Applegate and daughter; Mr. and Mrs. Floyd Clodfelter and family; Mr. and Mrs. Al Martin and daughter and her boy friend, Jim Green; Mr. and Mrs. Asa Duncan and grandchildren; Mr. and Mrs. Marion (Red) Luttrell and family, Mr. and Mrs. Melvin Ellis and family; Mr. and Mrs. Lloyd Williams and family; and Mr. and Mrs. Raymond Purcell.

Everyone had a good time and ate 25 pounds of catfish with plenty of hush puppies, made by Mrs. Clodfelter, salads and other good things.

The next campout will be held June 11-12-13th at Mansfield State Park.

Ray Sadecki Hurls First Win For St. Louis Cards

By Leonard A. Granate
UPI Sports Writer

It may just be that Ray Sadecki is a slow starter and the slumping St. Louis Cardinals have been waiting for him to get rolling.

Last season Sadecki lost his first five starts and wound up with 20 victories. So, after seeing him lost his first four decisions this season, small wonder that his teammates crowded around him with congratulations after he defeated Philadelphia 8-2 Tuesday night for his first triumph.

The victory put the Cardinals barely over .500 and lodged them in a tie for fourth with the Phillies and Braves.

In other National League games the Cubs outlasted the Giants 7-6, Milwaukee edged the Mets 4-3 and Houston halted Los Angeles 4-1. Pittsburgh and the Reds were rained out at Cincinnati.

Giants Down Pirates In Little League

A burst of power behind the plate told the story in Monday night's Little League action as the Minor League Giants blasted the Pirate pitchers for 11 clean earned runs and 22 unearned runs.

Missing Skiers Report To Police

GARMISCH PARTEN KIRCHEN, Germany UPI—Six missing skiers reported to police Tuesday, ending fears that they had been trapped by Saturday's avalanche on the Zugspitze, Germany's highest mountain.

The official death toll remained at nine. One body was still believed buried.

WORLD'S FAIR WONDERS

IN ONE wonderful square mile of fun and entertainment, the New York World's Fair has gathered hundreds of once-in-a-lifetime attractions to see and to enjoy. Here are just a few of the exhibits—some new for 1965, and many that have already thrilled millions of Fair-goers.

THE TRIBUTE to Sir Winston Churchill at the World's Fair Pavilion is an inspiring exhibit of Churchill memorabilia. The U.S. Federal Pavilion has a special exhibit paying tribute to 13 of the Nation's past presidents. Michelangelo's magnificent Pieta continues to be awe-inspiring at the Vatican Pavilion and each evening at nine the fountain and fireworks at the Fountain of the Planets attract crowds.

AS IN 1964, the AMF Monorail remains as one of the Fair's most magnetic attractions. Gliding silently and smoothly 40-feet above ground, it offers riders a panoramic view of the Fair and an excellent vantage point from which to take pictures—all while riding in air-conditioned comfort. The new theme this year is "around and around she goes" with Monorail passengers allowed as many rides as they wish for one admission. As an added bonus, the Monorail station is packed with exciting games and contests of skill. Free prizes, too! Fun for all!

Let's Have a LUAU!

HERE'S YOUR chance to present the most unforgettable, exciting and exotic party ever... The "Luau"—literally a Hawaiian feast—immediately captures the warmth, gaiety and excitement of the tropics. It can be staged indoors or outdoors on your lawn.

TO START with, send out invitations in the spirit of your Luau; then follow through with Hawaiian table settings, costumes and music. Where possible, use low tables so that your guests sit on floors, or on mats. And award a prize for the best man and woman hula dancer.

EXOTIC FOOD and drinks will be, of course, the highlight of your Luau. Pineapple Alii, Island Sweet-Sour Spareribs, Waikiki Shrimp Dip, Shrimp Tempura and Banana Royal are all mouth-watering Luau food specialties. For the recipes of these delicacies—and a dozen others—send ten cents to Orchids of Hawaii, 305 Seventh Ave., New York, N.Y. 10001. The booklet you'll receive in return, is not only a treasure trove of island recipes, it also gives detailed directions for making your Luau the party of the season.

New Beverage Bonus For Summer

LIKE ORANGEADE? Love leisure? Then you'll welcome two new mixes in envelopes that make this refreshing beverage in an instant. Called Twist Imitation Orangeade Mix, there are two versions of the new mix. Each type is pre-sweetened, so there's no sugar to add. Simply combine mix with water and ice cubes to make one quart. Each type contains Vitamin C, yet here's the difference: the pre-sweetened sugar free imitation orangeade mix makes a fresh-tasting low-calorie beverage containing only 5 calories per 8-ounce serving! Here's an example:

LOW-CALORIE ORANGE BLOSSOM

1 envelope pre-sweetened sugar free imitation orangeade mix

1/3 tray ice cubes

1 bottle (1 pt. 12 oz.) club soda

Empty orangeade mix into pitcher. Add ice and club soda. Stir until mix is dissolved. Makes about 1 quart or 4 servings.

Star-spangled security

The millions of Americans who buy U. S. Savings Bonds know security is a two-way street.

You and your family are only as secure as the country you live in. When you start saving with U. S. Bonds you insure your own future and help keep your country strong at the same time.

Bonds give you a guaranteed rate of interest — 3 3/4% when held to maturity — so you don't have to worry about the ups and downs of market trends.

And Savings Bonds aren't subject to state or local income taxes, either. If you like, you can defer the federal income tax until you cash your Bonds.

When you buy your Bonds you can't help feeling a little proud.

You're doing your part in strengthening the cause of freedom. And that's the best security in the world.

Quick facts about Series E Savings Bonds

- ✓ You get back \$4 for every \$3 at maturity
- ✓ You can get your money when you need it
- ✓ Your Bonds are replaced free if lost, destroyed or stolen
- ✓ You can buy Bonds where you bank, or on the Payroll Savings Plan where you work
- ✓ Buy E Bonds for growth—H Bonds for current income

Kindergarten closed Friday. The Home Economic girls, directed by Mrs. Doty, served refreshments to the children and the parents who were present.

Ren Meek entered the Putnam County Hospital Monday and underwent surgery Wednesday.

Max West has been working in Oweaga, N. Y., on a construction project for IBM. He came home Saturday so he could attend his son, Dan's High School Commencement.

Mrs. Myrtle Robinson, of California, visited Wednesday and Thursday with Mr. and Mrs. Warren Robinson and family.

Miss Florence Talburt spent

the weekend with Mr. and Mrs. Wendell Smith.

Mr. and Mrs. Lee Wells have a new great-grandson, Steven Edward McClure, born Monday at the Putnam County Hospital.

Mr. and Mrs. Charles Wells spent Tuesday evening with Mr. and Mrs. Lee Wells. They helped Mr. Wells plant his garden.

Mr. and Mrs. Arthur Lisby visited Tuesday until Thursday with Mrs. Ruth Ogles in Otterbein.

The Methodist Vacation Bible School will start Monday, May 24. There will be a short program Sunday morning, May 30, showing a little of what has been learned.

Mrs. Avaril Huller is spending the week in Indianapolis visiting her daughter, Mrs. Rose Ellen Tanksley and family and other relatives.

A large congregation attended the Baccalaureate service Sunday evening in the school gym for 33 members of the Class of 1965. R. F. Struck, of

Hanover College, delivered the Commencement address Tuesday night.

Mr. and Mrs. Lee Wells called Monday on Mr. and Mrs. Charles Wells.

Mrs. Garnett Truesdal of Anderson, spent Monday with Mrs. Virginia Hanks and family.

Group Two of the CWF were guests of Group One of the CWF Tuesday at the home of Mrs. Lola Nichols. Sixteen adults and three children enjoyed the pitch-in dinner at

noon. Mrs. Rachel West led the devotions and Mrs. Thelma Arnold gave the lesson on Christian Conferences in Africa.

Accompanied by their teachers, Mrs. Imogene Kiger and Mrs. Vivian Sutherland, the second grade pupils made a trip in Mr. McCabe's bus to the Lake Central and Weir Cook airports. At Lake Central, a Mr. Rody took the group on a tour of the airport explaining all he could to the children. The children were permitted to enter two planes and sit in the pilot

and co-pilot's seats. At Weir Cook, they were interested in the Jets and saw one take-off. The group then went to Plainfield Park for their sack lunch; stopped at the Dairy Queen, and then came home thrilled and tired. All of both classes went with the exception of one boy.

On Thursday, May 20, at 7:30 p. m., there will be a called meeting at the Fillmore Methodist Church with District Supt. Ralph Steele in charge. All members and friends of the church should be present as the

business under consideration is very important to the future of the church.

Keith Johnston, three-year-old son of Mr. and Mrs. Cecil Johnston, is in traction in the Putnam County Hospital with a broken elbow.

Faith Circle WSCS met Tuesday morning in the Methodist Recreation Building with nine members and four children present. The film, "This Is The Eighth Day," was shown. Mrs. Betty Zeiner served refreshments.
